

# NAMAQ'S WHOLE SCHOOL READ ALOUD

For the first time Namao is taking part in a special, school wide shared reading event. With this initiative, our goal is to build community within the school and develop a love of reading at Namao.

Everyone – students, teachers, and staff will be following along together. Teacher will be reading to their class during our advisory block and once a week our cross graded groups will meet to read together.

Our chosen book is *The Wild Robot* by Peter Brown. *The Wild Robot* is the story of Roz, a newly manufactured robot who becomes a castaway on an island with no human inhabitants when the ship transporting her sinks during a hurricane. The other crates holding the robot cargo are destroyed, but Roz remains the sole survivor. When she is accidentally activated by some curious otters, Roz awakens to find there is no one there to assign tasks to her. She is free to explore the island and needs to learn how to survive.

**WHEN WE HAVE FINISHED THE BOOK WE HAVE ARRANGED FOR THE WHOLE SCHOOL TO SEE THE MOVIE DECEMBER 13TH. MORE INFORMATION WILL BE SENT HOME CLOSER TO THE TRIP DATE REGARDING PERMISSION FORMS, VOLUNTEERS AND FEES.**
