Oct 1, 2024

Dear parents and guardians:

On Wednesday, October 23, 2024, students in ELA 9S and 8/9W will attend the Citadel to view the play Bear Grease. **This play is rated 12+ with a content advisory of coarse language.**

Please visit

<https://citadeltheatre.com/theatre-education/for-educators/school-matinee-package/> for more information.

The students will board the bus at Namao School at 10:00 a.m. and will return to the school at approximately 1:45 p.m. We will eat lunch when we get to the Citadel. Sometimes there is a small Second Cup kiosk available for purchasing food and drinks, but I am not sure if it will be open so students should bring their own lunches.

If you give your child permission to attend this play, please pay the \$26.00 on your Powerschool account by no later than 3:00 pm on October 11, 2024. Please be aware this is a **non-refundable** field trip as we must purchase tickets in advance. Regular programming will be provided at the school to students who are not attending. Please note also that school rules and policies apply on any field trip.

Please ensure that you sign the High Risk Permission form on [PowerSchool](#).

If you would like more information about the play, please visit the Citadel's website using the link above.

Yours truly,

K. Wiebe
